Re: United States v. Zion Cohen

Dear Judge Robinson:

In furtherance of our request for permission by our client, Zion Cohen, to travel to Philadelphia, I received a return telephone call from Michael Ben'Ary, Esq. early this morning, as he was unavailable on Friday and did not receive my letter until today.

Mr. Ben'Ary indicated that the U.S., Attorney has no objection to our client traveling to Philadelphia. He indicated that if you needed to speak to him directly, he is available all day today.

Accordingly, we respectfully request that you reconsider the denial issued on Friday, which I assume was a result of not having the consent of the U.S. Attorney, and allow our client to travel to Philadelphia for the remainder of this week.

Thank you for the Court's consideration in this matter.

Very truly yours,

MARTIN GROSSBACH, P.C.
